FRIENDS FOR MATIBI

**REF : COMPLETION OF THE MATIBI MISSION HOSPITAL WASTE MANAGEMENT ZONE PROJECT**

This letter serves to inform you of the completion of the Hospital Waste zone project by Peach lock contractors, the project was officially finished on 01 April 2019 and inspection plus testing finished on 31 May 2019.

The project was satisfied to meet the minimum requirements.

Numerous obstacles were encountered that delayed the timely completion of the project however we are pleased to inform you that it is finally complete, a comprehensive report for the project is to be submitted in due course.

Yours faithfully

DR WILSON ARITURI
